

# Assembly & Installation Instructions

**ITEM NO.: 40207 & 40208**

## CAUTION:

Read these instructions carefully before proceeding.  
Turn off the main power switch during the installation process.

## WARNING

All wires are connected, do not pull the wires while unboxing the lamp.  
It might cause the bad connection as result. Unpack and place all parts on a flat surface.  
Disconnect the unit from electrical supply before the installation fully completed.

## ASSEMBLY INSTRUCTIONS:

1. Place the lamp body (A) on the table.
2. Install the harp (B) into the harp clips.
3. Place the shade (C) over the top end of the harp (B) and secure shade with finial (D).

## IMPORTANT SAFETY INSTRUCTIONS:

This portable lamp has a polarized plug(one blade is wider than the other), as a feature to reduce the risk of electric shock,this plug will fit in a polarized outlet only one way,if the plug,does not fit fully in the outlet,reverse the plug. if it still does not fit,contact a qualified electrician.Never use with an extension cord unless plug can be fully inserted.Do not alter the plug.

## CLEANING:

Use only soft cloth during the cleaning process.  
Do not use chemicals or abrasive cleaners, it can damage the finish the bulb.

## Note:

Turn the power off(unplug from the wall outlet)before replacing  
Do not proceed before the bulb fully cool down.
