About us

Acme Furniture Industry Inc.

ACME started doing business in Los Angeles, California in 1985. Today we have six branches located in San Francisco, New York City, New Jersey, Texas, Atlanta, Miami, and one distributor in Arizona. From the beginning, we have set out to provide our customers with service, value and quality.

Service

In our new 1600,000 square foot fully racked warehouse in Los Angles, we can ship out most orders within 48 hours. In most instances we can ship 90% of the items requested. This is possible due to the fact that we maintain inventory at all times. We also offer our customers a traffic department that offers the most competitive freight rates.

Value

Over the years, ACME has been working with many of the same factories in Malaysia, Taiwan, Vietnam, Indonesia, Brazil and of course China. Because of our long-term relationships with these factories, we have been purchasing our products at the most competitive prices in the industry. We are proud to say that in most cases, ACME will be able to beat our competitors' prices.

Quality

Nothing is more important than quality. That is why ACME maintains its own quality control personnel in every country where we do business. Every item must meet our exact standards. Nothing less will do.

Integrity

We are very proud of the growth ACME has realized since 1985. Besides the six branches we also maintain showrooms in Tupelo, Mississippi, High Point, North Carolina, and our newest showroom in Las Vegas, Nevada. In addition, we value our loyal customers and the many friendships we have developed with our clientele.
